

Stephen B. Rich

Stephen recently retired as the President and CEO of WBRC Architects / Engineers after thirty three years with the firm. His track record of success at WBRC includes roles as Chief Operations Officer, firm principal, project manager and project architect. He is currently running a part time consulting business that focuses on planning, design, and construction assistance for nonprofit and profit entities.

He currently serves on the Maine State Chamber of Commerce Board of Directors; the Rotary Club of Bangor Board (Paul Harris Fellow and past President); the Eastern Maine Healthcare System Board (plus Finance and Governance Committees); the Bangor Region Chamber of Commerce Board (plus Legislative Affairs Committee - Co-Chair); the Bangor Nursing & Rehab Center Board (current Vice-President); AIA Maine Chapter Board (plus Governmental Affairs Committee - Chair); and The Maine A/E Task Force (current Chair). He is also a member of the American Institute of Architects, AIA Maine, and the Maine Early Learning Investment Group.

Stephen graduated from Syracuse University with a Bachelor of Architecture, and spent a year at the Architectural Association in London, England.

Steve lives in Glenburn with his wife Valerie. They have a son who is a pilot in the US Air Force, a daughter who is a Physician Assistant, three dogs, and a herd of horses. Steve also carries a passion for golf, creative people, and people who want to make a difference.
